

2016 ANNUAL BUDGET

To the Citizens of Sheridan and other interested parties:

We are pleased to present the 2016 City Budget. This Budget is the result of many hours of work by City staff and City Council who jointly participated in the budget process. The Budget was adopted by the City Council by Ordinance No. 13-2015 with the second reading on November 23, 2015.

In 2016 the City plans to continue to work on CDOT funded projects along with the continuation of the fleet replacement program. The City will also continue with the upgrading of outdated City facilities and the Record's Management project. The City also passed a ballot question that will allow the City to fund up to \$31 million in street projects.

The 2016 budget reflects the City's goals to provide the highest level of street, safety, drainage, and parks and recreational services and continue to look for growth in the City's economic development. Highlights of the 2016 budget are as follows:

General Fund Revenues:

1. The largest single source of revenue for the City continues to be sales tax. We have seen increases to the sales tax due to increased volume and new annexations into the City. The 2016 sales tax budget is \$2,801,399. The City will continue to perform tax audits to ensure compliance.
2. The City's assessed valuation increased by \$11,163,378 to \$95,184,153 in 2016. With the general fund mill levy at 5.974 this will generate \$571,486 in property tax revenue for the general fund.
3. In 2016 the City will assess a mill levy of 1.890 to make the final payment on the 2006A bonds. The revenue budgeted from this mill levy is \$180,660.
4. With the passage of question 2I in the November 2015 election the City was able to assess a 15.461 mill levy that will generate \$1,471,642 for the anticipated 2016 bond payment.
5. The other major sources of revenue are the reimbursement for City services provided to the Sheridan Redevelopment Agency (SRA) in the amount of \$916,588 and the public improvement fees that are paid annually in December which are budgeted in 2016 at \$753,229.
6. In 2014 the City was awarded grants for the Safe Routes to School (SRTS) projects which began in late 2014. The SRTS Non Infrastructure grant was completed in 2015 and the SRTS Infrastructure grant began in 4th quarter 2015 and we will see the majority of the project completed in 2016. The revenue is \$175,784 in 2016.

General Fund Expenses:

1. Personnel expense is the largest expense in the general fund. The City is projecting a 3% merit pool for employees in 2016. In late 2015 the City Manager received the Colorado Public Sector Survey of Employee Benefits that was conducted on behalf of South Suburban Parks and Recreation. The survey showed that the City of Sheridan is in line with other Denver area public entities in regards to the Employee Only contribution rate for health care benefits. However, the survey did show that the City required the employees electing Employee + One or Employee + Family coverage at a higher contribution rate than those of the other public entities. Due to the fact that the City has had several employees leave due to better pay and benefits the City Manager proposed decreasing the contribution rate by 15% for both Employee + One and Employee + Family beginning in 2016. The total increase in 2016 health insurance expense due to this change is \$51,190.
2. The fire contract with the City and County of Denver will increase 2% in 2016 for a total of \$1,956,144.
3. The Arapahoe County Police Dispatch contract will also increase 2% in 2016 for a total cost of \$189,801.
4. The SRTS Infrastructure project will be completed in 2016 for a total cost of \$175,784.
5. The City will continue to apply for CDBG funds to help fund sidewalk replacement throughout the City.

General Fund Balance:

The general fund balance has increased significantly over the past few years. This has been a concerted effort by the City Manager and staff. The City has a goal to maintain a fund balance of \$1.5M; which is approximately three months of expenses for the City. The 2016 general fund budget is projecting to end with a fund balance of \$2,198,002.

Five Year Fund Balance

Capital Improvement Fund (CIP) Revenues:

1. The Hamilton Bridge project is expected to have CDOT grant proceeds in the amount of \$1,517,992.

Open Space Fund Expenses:

1. The Platte River Trail improvement project is a major trail improvement project that is a joint effort with Arapahoe County Open Space, Colorado Water Conservation Board, City of Englewood, Great Outdoors Colorado, City of Littleton, South Suburban Park and Recreation District, and Urban Drainage and Flood Control District. Annually residential parcels are assessed a \$36 fee and commercial parcels are assessed a \$60 fee. The revenue to be generated from this fee and any associated late fees in 2016 is \$71,500.

Stormwater Fund Expenses:

1. The largest expense for stormwater is \$43,165 for personnel expenses which is a 40% allocation of the Public Works supervisor and the annual hours that the stormwater technician spends on billings, payments, and certifications.
2. The City has budgeted for a rate study at a cost of \$25,500 to assess the needs of the current stormwater system and the costs that will be needed to fund this system in the future.
3. Operations and maintenance of the stormwater system is budgeted at \$113,774 in 2016.

Stormwater Fund Balance:

The stormwater fund balance is expected to remain consistent with prior years. The projected ending fund balance for 2016 is \$33,607.

City of Sheridan History

Settlement

The City of Sheridan is located in the southwest portion of the Denver metro area. John McBroom came to this area as a wagon master with the Army in 1858 and first settled the area. He claimed land along the Platte River and Montana Creek (now called Bear Creek) and built a cabin. Others followed, including his brother, Isaac McBroom, and Swedish immigrant Peter Magnus, who arrived and began farming in 1859. Magnus introduced sugar beets to Colorado.

Platting & Incorporation

In 1873, Peter Magnus platted the first town and named it Petersburg, which became one of the principal towns south of Denver on the Santa Fe Trail. In 1887, Isaac McBroom laid out a six-block, L-shaped plan and named it Sheridan Junction.

An election for incorporation was held in early 1890 and the town, which included Petersburg and Sheridan Junction, was named Sheridan. In 1959, the status of Sheridan was changed from a town to a statutory city. In 2002, the City adopted a Home Rule Charter.

Fort Logan

In 1887, Congress authorized the establishment of a military post near Denver. Lieutenant General Phil Sherman, of Civil War fame, selected a 640-acre parcel near the McBroom family and Petersburg. It was hoped that the fort would be called Fort Sheridan, but the decision was made to name the post Fort Logan for General John A. Logan. Fort Logan is now Fort Logan Mental Health Facility for the State of Colorado.

Sheridan Today

Sheridan is two square miles and has a long and colorful history. It is located within Arapahoe County and represents a diverse population of approximately 5,600 residents of various economic levels. There are five schools, two adult communities, and one assisted housing complex for elderly residents within the City. The City has a mixture of commercial, industrial, community, and residential facilities.

River Point

The most recent retail district is River Point at Sheridan. This is an exciting urban renewal project consisting of major retail stores, specialty shops, dining, and entertainment. It was built on land that was formerly a landfill. The project is located on 135 acres on the eastern side of the City.
