Old Business Bonita Hutcheson has not been able to get information from Ken Reiter regarding school requirements for insurance on the property where the Historical Society materials will be placed. There was brief discussion about the Englewood Historical Society history book which includes a number of people and businesses related to Sheridan. Cliff Mueller will check on getting a copy of the history for the Sheridan Historical Society.

New Business The date for the 1994 Sheridan Celebrates is unsettled, trying to coordinate bands, a race schedule with Interfaith Task Force and other considerations. After discussion of the theme for 1994, it was decided that "Sheridan Celebrates . . . Family Ties" will be used.
