Fort Logan News Earl McCoy will talk to the drug clients at Fort Logan on its history. He is planning to do other talks.

History Earl McCoy and Bonita Hutcheson went to Arapahoe County in an effort to find out more about the stone house on King St. The property was traced back to Agnes Syndlow whose daughter has asked us to do this research. Agnes Syndlow owned the property from 1959 thru 1964. There have been several owners since then, the current owners are R. Tyler and H. Paige Inman, who have also expressed an interest in the history of the house. It is schedule 2077-05-2-19-002.

A number of earlier transactions were discovered relating to Isaac E. McBroom, with Joseph W. McBroom, (Isaac's son) and Dora E. Curkeet nee McBroom (John's daughter). It is apparent that they were joint owners of some property. Copies of recorded Deeds were obtained. Many more need to be copied. The cost is \$1.25 a page, and can be certified if needed.

A second trip is planned to follow the ownership back further.

Adjournment The meeting was adjourned at 9:28 p.m.
